Mobilizing Turkish SMEs and Companies

We kindly request your assistance in mobilizing Turkish SMEs, companies, and organizations to participate in the Expo. This event presents a unique opportunity for Turkish businesses to explore new markets, forge partnerships, and expand their presence in Africa. The Expo will feature exhibitions, keynote speeches, panel discussions, and workshops on topics relevant to the growth and development of SMEs ¹.

Turkish Pavilion

We invite the Embassy to erect a Turkish pavilion at the Expo, showcasing the country's innovative products and services. This will provide a platform for Turkish businesses to connect with local entrepreneurs, industry experts, and government officials.

Sponsorship Opportunities

We seek sponsorship opportunities from the Embassy to support the growth and development of Zimbabwean SMEs. Your contribution will help resource the Expo and promote the SME sector in Zimbabwe.

Official Opening Ceremony

You are cordially invited to the official opening ceremony of the Expo, where you will have the opportunity to meet with local business leaders, government officials, and other stakeholders.

Conclusion

We believe that this event will play a vital role in promoting economic cooperation between Zimbabwe and Turkey. Your presence and support will be instrumental in achieving this objective.

Please do not hesitate to contact us for further information or clarification.
