Dear Mr. Harikrishnan,

The Agency for the Development of the Pharmaceutical Industry of the Republic of Uzbekistan presents its high respect to you and expresses its sincere gratitude for your initiative and proposal to hold the International Exhibition and Summit “Pharma Eurasia & MedTech Eurasia 2026” in the Republic of Uzbekistan.

We hereby inform you that the Agency fully supports this initiative and is ready to provide comprehensive assistance in organizing and conducting the event at the highest level.

We are confident that hosting such a large-scale exhibition and summit will become a significant event for the entire region. It will undoubtedly contribute to the dynamic development of the pharmaceutical and medical industries of the Republic of Uzbekistan, strengthen international cooperation, attract advanced technologies and investments, and create a unique platform for the exchange of experience among leading domestic and foreign specialists.

As a measure of support for the project, the Agency is ready to allocate a land plot of 6,000 m² within the territory of the innovative scientific and industrial pharmaceutical cluster “Tashkent Pharma Park” for the organization of the event.

The coordination of preparatory works for the allocated site and related organizational issues will be carried out by the Directorate of Tashkent Pharma Park.

In addition, the Agency is ready to provide full support to Tricornio Technologies in organizing and conducting the exhibition, including coordination with relevant governmental and industry bodies to ensure the efficient resolution of all arising matters.

We express our confidence in the successful implementation of this joint project and look forward to long-term and fruitful cooperation.

Respectfully,

Director

A.Azizov

Subject: Invitation: Hosted Buyer Program for Turkish Pharma Companies | Pharma Eurasia 2026
(Tashkent)

Dear Mr. Counsellor,

On behalf of the Organizing Committee of the International Exhibition “**Pharma Eurasia & MedTech 2026**,” we present our compliments to you and cordially invite the members of your organization to participate in this spring’s premier industry event.

The exhibition will be held on **May 20–22, 2026**, at “**Tashkent Pharma Park**,” with the official support of the **Ministry of Health of the Republic of Uzbekistan** and the **Pharmaceutical Industry Development Agency**.

The event will feature key international participants from India, China, South Korea, and other global markets. As the regional pharmaceutical market demonstrates rapid growth, our exhibition is designed to serve as a pivotal platform for strategic dialogue between international manufacturers and local distributors.

Why is participation in “Pharma Eurasia & MedTech 2026” valuable for Turkish companies?

- **Direct B2B Networking:** Within the framework of the exclusive “**Hosted Buyer**” program, we are inviting major purchasers and heads of pharmacy chains from foreign countries. We are prepared to provide preferential terms for up to 10 selected companies from Turkey, including:
 - **Complimentary hotel accommodation** in Tashkent for the duration of the exhibition (3 nights);
 - **VIP registration** and priority access to the dedicated B2B networking zone;
 - **Personalized meeting schedules** with leading international manufacturers and suppliers;
 - **Full transport logistics**, including daily transfers to and from the venue.
- **Regulatory Dialogue:** A professional platform to discuss critical issues regarding drug registration, mandatory labeling, and manufacturing localization in Uzbekistan.

- **Innovation Showcase:** An exceptional opportunity to present the latest medical developments to a high-level professional audience and government stakeholders.

We would be grateful if you could share this information among your members. We are also prepared to offer special terms for the **collective participation** of Turkish companies.

For registration and further details, please contact us directly at **eablyaeva@yandex.ru** or complete the registration form via the following link: <https://pharmedxworld.com/pharma-eurasia/buyerregistration/>.

We look forward to the possibility of welcoming your delegation to Tashkent.

Sincerely,

Transforming the Global Healthcare Technology – Paradigm

Pharmaceutical Industry in CIS Countries with Focus on Uzbekistan

Overview:

- CIS countries are largely **import-dependent** for pharmaceuticals, especially generic formulations and APIs.
- Uzbekistan is leading regional pharmaceutical sector development with strong **government backing and incentives**.

Key Figures – Uzbekistan:

- Annual pharma imports: **\$2.4 billion**
- **260 importers, 356 exporters, 2,600+ registered local products**
- **GMP-certified local companies: 56**
- Exporting to **49+ countries**; export value reached **\$200 million by 2024**
- Local production support via **5 Pharma Free Economic Zones (FEZ)**

Incentives & Regulations:

- **Zero customs duties & VAT** on imported raw materials and machinery for FEZ-based companies
- **3–10 years tax holiday** depending on investment amount
- **50% reimbursement** for FDA/EMA registration costs abroad
- Government **procurement preference** up to 20% for local manufacturers

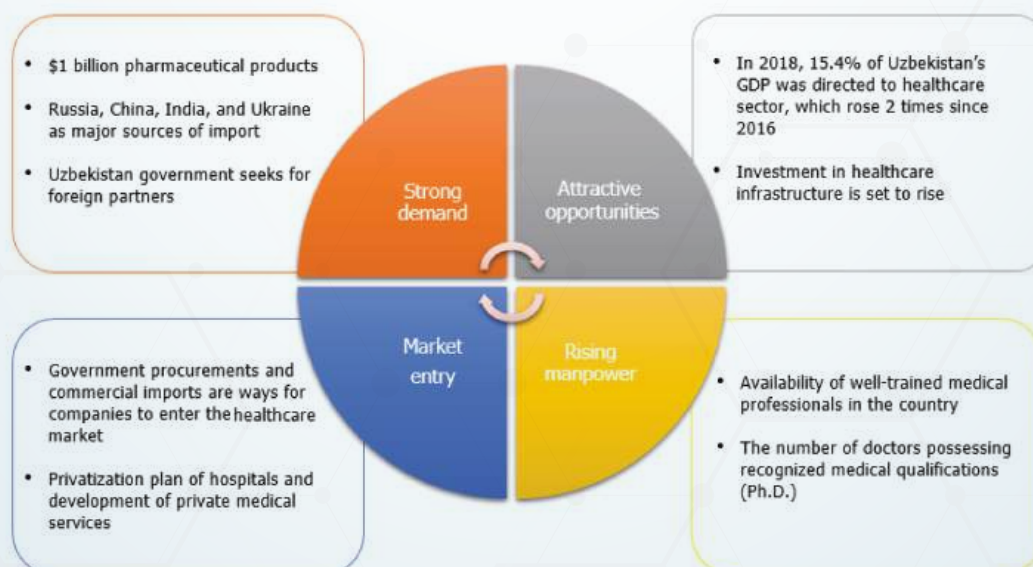

Supporting Ecosystem:

- **Tashkent Pharma Park** – \$388M Technopark Project
- **Clinical Research Center, R&D Center, and Pharma Technical University** in development
- WHO pre-qualification and PIC/S membership in progress

Opportunities for Pharma Exporters:

- Strong demand for **generics, OTC drugs, APIs, and herbal products**
- Ideal base for **pharma packaging, testing labs, and co-manufacturing**
- Uzbekistan as a **launchpad to enter CIS, Baltic, and even European markets**
